

PROCLAMATION

TO THE HONORABLE SECRETARY OF STATE, AUSTIN, TEXAS:

I herewith hand you H. B. No. 442 passed by the last Legislature for deposit in your office in accordance with law, which I have this day disapproved and vetoed. My objection to this bill is that it seeks to create a new Central Mailing Bureau at a cost of approximately \$7,500 a year which, in my opinion, would not result in any appreciable economy. If there is any misuse or illegal use of stamps at the present time, I am sure it is only fractional, the amount of which would not begin to equal the extra appropriation provided for in this bill. Every large department of the government has a porter for this service and with a postoffice in the capitol and the other departments not over a three minutes walk from the capitol, I do not see the necessity for a Mailing Bureau. The bill is therefore vetoed on this the 13th day of June, A. D. 1933.
